

Subject: New King Soopers Rewards Change

#### Members

The reloadable King Soopers gift card will no longer be used to raise money for our Chapter beginning April 1st. The King Soopers card (normally called the Soopercard by the cashier as you check out, is the same card that gives you discounts on sale items and your fuel points) will be used instead to raise money for our Chapter. Every time you scan your Soopercard and make a purchase, the Chapter will receive credit. Your Soopercard must be linked to the new Community Rewards program to our Chapter. This is free and easy at no cost to you. Follow the steps below that you only have to do once.

1. Each member must go to [www.kingsoopers.com](http://www.kingsoopers.com) to sign in to your King Soopers account or create an account.
2. Next click on Savings & Rewards, under that click on King Soopers Community Rewards.
3. Next click on Enroll Now
4. Next either enter our Organization Number: xy656 or Name: Vietnam Veterans of America Chapter 1071
5. Next after our Chapter comes up, pick Enroll and you're all set.

Once you're enrolled, this means that after your Soopercard is scanned at a King Soopers store you can use any form of payment including using your reloadable gift card as before. Ask your relatives, friends and neighbors to support our Chapter by enrolling also.

If you have any questions please let me know by email or phone 303-905-0885. I will explain the new program and answer questions at our meeting this Saturday on 3/16/2019.
