

Dear veteran,

Thank you, I know it may be hard
To share what happened but I appreciate
You. in my eyes you are heroes. I don't know
What the world would be like without you
I understand it was scary or hard.
we have much empathy towards you all.
I know I would not be able to do
what you did and do today. thank
you for sharing what happened so no
one forgets the sacrifices you have
all made.
